Issue 1 - December 2019

WELCOME to Aspire's first newsletter!

Aspire is Haringey's children in care & care leavers council, we meet fortnightly in Tottenham.

We discuss issues affecting children & young people in the care system, we plan trips and take part in consultations that shape policies affecting children in care and care leavers.

Recently we have worked on various projects – we created a set of pledges for children in care and care leavers, this was accepted and adopted at full council, please see Haringey's youth space website for further details under 'children in or leaving care' section (corporate parenting pledge)

Throughout the year we go on trips such as Thorpe Park
